

CHANGE OF PAYMENT NOTICE

The 2010 Idaho Legislature amended the Crime Victims Compensation Act, giving the Program the authority to adopt a fee for service schedule for payments made on behalf of victims for treatment and sexual assault forensic examinations. For all dates of service on or after July 1, 2010, the program will determine payment based on the Idaho Workers Compensation Fee Schedule.

This statutory change also specifies that acceptance of the Program's payment is considered payment in full, unless we are unable to make the full allowable payment based on applicable laws and rules. Providers and claimants/victims will receive an Explanation of Benefits advising if any portion of a claim may be billed to the victim or claimant.

Please include the following information with your bill:

- **UB04 or CMS 1500, including CPT codes**
- **LISTING OF PAYMENTS MADE AND BY WHOM**
 - Insurance payment, patient payment, Medicare, Medicaid, etc. Please include an EOB if applicable.
- **MEDICAL RECORDS FOR EACH DATE OF SERVICE**
